

AMENDMENTS TO THE SPECIFICATION:

On page 1 after the title, please insert the following:

CROSS-REFERENCE TO RELATED APPLICATIONS

The present application is based on International Application No. PCT/EP03/51002 filed on December 15, 2003, which in turn corresponds to FR 0216006 filed December 17, 2002, and priority is hereby claimed under 35 USC § 119 based on these applications. Each of these applications is hereby incorporated by reference in their entirety into the present application.

FIELD OF THE INVENTION--

On page 1, before the second paragraph, please insert the following header:

--BACKGROUND OF THE INVENTION --

On page 2, before the first paragraph, please insert the following header:

--SUMMARY OF THE INVENTION --

On page 3, after the third full paragraph, please enter the following header:

Still other objects and advantages of the present invention will become readily apparent to those skilled in the art from the following detailed description, wherein the preferred embodiments of the invention are shown and described, simply by way of illustration of the best mode contemplated of carrying out the invention. As will be realized, the invention is capable of other and different embodiments, and its several details are capable of modifications in various obvious respects, all without departing from the invention. Accordingly, the drawings and description thereof are to be regarded as illustrative in nature, and not as restrictive.

--BRIEF DESCRIPTION OF THE DRAWINGS--

On page 4, after line 10, please insert the following header:

--DETAILED DESCRIPTION OF THE INVENTION --

On page 13, after the final paragraph, please insert the following:

It will be readily seen by one of ordinary skill in the art that the present invention fulfills all of the objects set forth above. After reading the foregoing specification, one of ordinary skill will be able to affect various changes, substitutions of equivalents and various other aspects of the invention as broadly disclosed herein. It is therefore intended that the protection granted hereon be limited only by the definition contained in the appended claims and equivalents thereof.
